Private Dental Care

Fee Guide July 2026

These fees are intended as a patient guide for the most common types of treatments

Please ask your dentist if you would like a further explanation of the charges.

Fees are payable at the time of treatment and no allowance is made for sending accounts. An administration charge may be added if accounts have to be sent.

A missed appointment fee will be charged unless 24 hours notice is given.

It is our aim to provide our patients with a high level of care which will maintain a high standard of oral health. This can be reached through our commitment to prevention, using superior quality materials and the highest standard of dentistry.
